I am requesting coverage for myself and all dependents listed on this form, and I authorize my employer to deduct any required contributions for this coverage from my earnings. All statements and answers I have given are true and complete. I understand that if I have provided any false, incomplete, or misleading information, then my coverage under this Plan may be null and void and may result in a denial of all benefits. I understand that all benefits are subject to the terms and conditions stated in the Plan Document. I authorize all health care providers, third party payers, utilization review agencies, my employer, and state or federal agencies to exchange all demographic, medical, mental health, AIDS and HIV, and substance abuse information with Anthem Blue Cross Blue Shield of Maine or its designees necessary for claims processing, clinical studies, care management, Plan administration, or benefit administration. I understand any information will be used only after issuance of Plan coverage and will have no effect on determination of eligibility to enroll. By accepting benefits under this Plan, a plan participant agrees to reimburse the Plan for benefits paid resulting from an accident or illness when a recovery has been received by the plan participant from a third party or insurer. The Plan is entitled to receive reimbursement equal to the amount of the recovery or payment up to the amount the Plan paid.

I give this consent for myself and any eligible family members listed on this application for whom I am authorized to do so. I understand that failure to sign this authorization may be a basis for enrollment or benefit denial. I understand that I am entitled to receive a copy of this authorization. I further understand that this authorization will remain in effect until coverage under this Plan ends or I give written notice to Anthem Blue Cross Blue Shield of Maine that I want to revoke this authorization. I understand that revocation of this authorization may be a basis for denying benefits.

It is a crime to knowingly provide false, incomplete or misleading information to an insurance company for the purpose of defrauding the company. Penalties may include imprisonment, fines or denial of insurance benefits.

NOTE: All family members 18 years of age and older, who are also enrolling at this time, must also sign this consent.
